PICKFORD PICTURE SHOWING AT GRAND

Famous Screen Star Takes In-teresting Role in "Fanchon, the Cricket."

Mary Pickford, the world famous motion picture star, is seen today at the Robinson Grand in the fascinating role of "Fanchon," in George Sand's picturesque drama, "Fanchon, the Cricket."

Fanchon of course is a mischievous imp of a girl, in fact the scorn and by-words of the village, who under the subtle influence of love, gradually develops a goodness of disposition and a general bent toward virtuous principles whereby she eventually gains the heart of the man she loves, and triumphs gloriously over the envy, hatred and uncharitableness of the rustic community of which she had been a despised and rejected member. There is a naturalness about Mary Pickford's portrayal of Fanchon as well as a quaint bit of sparkling originality that is absolutely irresistible. Jack Starnitz, Lottie Pickford and Russell Bassett are among the supporting cast.

Puccini is working on an opera based upon Ouida's novel, "Bebe, or Two Little Wooden Shoes."

The Ladies of the Young Woman's Christian Association are having a benefit today at the Bijou theater. The management has arranged a nice program.

Francis X. Bushman and Miss Beverly Bayne are seen in a three-act Essanay drama, "The Plum Tree." This picture was awarded the first place in a contest by the Ladies' World and Mr. Bushman and Miss Bayne were chosen to play the principal parts. The second picture, "The Crooked Path" is an interesting one as Miss Alice Hollister and Harry Millarde are cast for principals. This couple stands at the top of Essanay's staff of artists. The third picture is a comedy and Mr. and Mrs. Sidney Drew are in the leads. As every one knows, Sidney Drew is a fun maker, one who writes and acts his own plays. "The Honeymoon Baby" is the title.

Miss Betty Gray, the beautiful Vitagraph actress, and Anders Randolph will be on the Bijou screen Tuesday in the Broadway Star feature "The Mystery of Mary," an exceptionally

high class feature. If you saw a beautiful girl in an afternoon gown running wildly for the mouth of a railroad tunnel, when a train was likely to come through at any minute what would you do? Tyrone, respecting the girl's wish that he keep secret the cause of her predicament, simply aids to reach her destination. He meets the girl afterwards, the mystery is solved, her persecutors are punished, then Tyrone and Mary are married. "Dreamy Dug Goes Bear Hunting" is the comedy offering.

"When Knighthood Was in Flower" was given lately by a stock company in Utica.

The Ackerman Musical Comedy Company opened a week's engagement this afternoon at the Palace in one of the best bills presented for some time. "The Duke and Count" is a rousing comedy filled to the top with good laughter, dancing and fine singing. Every one in the company from the leads down to the chorus has a fine voice. The "Garden City Comedy Four" is the hit of the show. Several numbers are sung and it is a sure bet no other quartet has surpassed them so far this season.

The pictures for today are of the very best subjects including a three-part Essanay drama, "The Lady of the Snows," featuring Richard Travers and Edna Mayo and a one reel Biograph drama, "Just a Lark."

The Great Italian and Austrian war pictures are shown at the Star theater today. The scenes are laid on the firing line and in various cities of Italy. This offering is a thriller from start to finish. A dandy Joker comedy entitled "Freaks" and an Imp comedy, "One Night" complete the program for today.

It seems almost incredible but Hank Mann and May Emory make desperate "Love on an Empty Stomach" in an L-Ko.

Robert Mantell's greatest stage success, "The Face in the Moonlight," produced by the William A. Brady Company is the special offering at the Orpheum today. The leading roles are carefully and vividly acted by Robert Warwick, the star of "The Man

RACER'S WIFE CAN DRIVE MACHINE, TOO

Mr. and Mrs. Dario Resta.

Mrs. Dario Resta, wife of the famous automobile racer who recently broke the world's record for 100 miles in Chicago, is something of a driver herself. When the pair go out for a little pleasure spin, Mrs. Resta is often seen at the wheel. The accompanying picture was made in Chicago the other day while Mrs. Resta was driving her husband to the track, where a little later he made the new speed record.
